
ALEXIS RODRIGUEZ

JUNIOR FULL STACK DEVELOPER
📍 ARGENTINA | 🌎 AVAILABLE FOR REMOTE WORK

PROFESSIONAL PROFILE:

Full Stack Developer with 2 years of self-taught training and experience developing real SaaS projects. Experience in frontend and backend development with JavaScript, basic server architecture, and relational databases. Currently developing SaaS solutions aimed at companies, focusing on scalable architecture and a multi-tenant model. I am looking to join a team where I can continue learning, contribute value, and grow professionally.
